5) Add New Order

A screenshot of a graphical user interface window titled "Add New Order". The window has a standard title bar with minimize, maximize, and close buttons. The main content area is a light gray rectangle. Inside this area, there are two input fields. The first is a text box with the label "Write signal button id" above it and the placeholder text "write signal button id here...". The second is a dropdown menu with the label "Choose menu" above it and the text "Choose Menu" inside the dropdown box. The window has a small icon in the bottom right corner.
